Beaver Day

"Rain rain go away, come again another day." was definitely on the minds of those who attended this years Beaver Day. There were around 150 people who braved the bad weather to help with improvements at our beautiful camp. Some of the projects that took place were: AC unit installed in the Trading Post, wiring installed in the trading post, limbs and branches removed, replaced railroad ties in the parking lot, tents in cub world were put up, windows in the dining hall were cleaned, and bat holes in dining hall were plugged.

A special thanks to Mr. Kevin Ramsey, Mr. Jt Dimmit, Mr. Brian Badders, and Mr. Doug Travis for starting the conversion of the Main shower house to the new quarter-master shed. These gentlemen worked very hard on getting this project rolling so it will be ready for summer camp! Once again, thank you all for your hard work. Ranger Tony was very pleased in the amount of work we were able to accomplish. You all should be very proud.

Winter Banquet in Review

This years Winter Banquet was one to remember! It set the bar high for our events this year. Whatever your favorite part was, whether it was the great food, seeing Kyle Hansen win our prestigious Nabby Man of the Year, or the speech by former Section Chief Lee Gaston, you had a great night.

Past Lodge Chief Kyle Hansen not only won Nabby Man of the year, but he also was one of our Founders Award recipients. Our other recipient was Clint Smith. Our James E. West award recipient was Mr. Marty Lowder. If you see these brothers, congratulate them on their outstanding achievements.

Respectfully Submitted,

Ty Conley

Dear Brothers-

We are swiftly approaching the busiest time of our lodge year! This means lots of fun and training are on the way. For those of you who don't know, our theme this year is Zombies! That being said, remember your zombie apparel and spirit items at Dixie and Spring Fellowship! If you have never been to a Spring Fellowship or Dixie, this is a great year to attend! Both events contain fellowship with fellow Arrowmen, great training, and the always-fun quest events. Also, in May, we will be conducting our first Ordeal, where we will induct new members and provide valuable service to make our camp ready for the Summer season. Now is the time to get involved! Volunteer for a committee today! It takes youth involvement to make our lodge and events successful so don't hesitate to get involved! YOU could make a difference. The Property Committee has asked the lodge about the possibility of doing some roofing on some buildings at camp. If you have experience in roofing, replacing shingles, or holding ladders, contact me if you're interested in serving camp!

Do you know anybody that likes to draw? We need designs for our Summit-corps/Indian Summer patch. We are looking to combine the two events into one patch. Bring your designs to Spring Fellowship so the Executive board can approve one.

If you have any questions about upcoming events, or about a team or other committee, feel free to contact me at tyco587@yahoo.com. I look forward to seeing everyone at Spring Fellowship and Dixie, and I look forward to leading you in a fantastic new Lodge year!

The Vigil Honor

Brothers,

It is the time of year to start sending in your Vigil Honor Nominations. Our Vigil Committee will meet during the June Ordeal and select those that are deemed worthy of this honor. Nominations must be submitted by 7:00 pm on June 3, 2011. You can submit these nominations to our Vigil Chairman Thomas Beatty. The list of those brothers that are eligible for this honor can be found on page eleven of this issue. You can find nomination forms on our website www.eswau.org. The Vigil Honor is defined as follows:

“Alertness to the needs of others is the mark of the Vigil Honor. It calls for an individual with an unusual awareness of the possibilities within each situation.

The Vigil Honor is the highest honor that the Order of the Arrow can bestow upon its members for service to lodge, council, and Scouting. Membership cannot be won by a person's conscious endeavors.

The Vigil Honor is a high mark of distinction and recognition reserved for those Arrowmen who, by reason of exceptional service, personal effort, and unselfish interest, have made distinguished contributions beyond the immediate responsibilities of their position of office to one or more of the following:

- Lodge
- Order of the Arrow
- Scouting community
- Scout Camp

Under NO circumstances should tenure in Scouting or the Order of the Arrow be considered as reason enough for a Vigil Honor recommendation.

Any member of the Order of the Arrow registered in Scouting and in good standing in a regularly chartered lodge is eligible for recommendation to the National Order of the Arrow Committee for elevation to the Vigil Honor provided that, at the time of the recommendation, the individual has been a Brotherhood member for a minimum of two years.”

If you have any questions about the Vigil Honor or the selection process feel free to contact your lodge leadership.

WWW,
Ty Conley

From The Adviser

“Each one of us has been charged by our peers to be leaders in our Troops or Crews.”

~David Cody
Lodge Adviser

At our Winter Banquet celebration, I addressed the lodge with some thoughts about one of my childhood favorite TV shows, the Little Rascals.

The episode was called “Free Wheelin”, and in the episode Spanky asks Stymie, “where is this thing goin?” and Stymie replies, “I don’t know, but we’re on our way!” I want to reiterate my thoughts about this conversation. I want to encourage you all to think about the times you have been a part of an organization that may seem to be going somewhere, but you weren’t sure where or how it would get there.

Sometimes the OA is like that. You show up for an Ordeal, you know we will induct candidates, we will eat better than they did, we will do worthwhile service to camp, and hopefully have fun and fellowship. This sometimes applies to troop activities, school activities, and certainly memorable events we have all had in our lives. We may not remember or even know the planning that went on for us to have fun, but we know that someone had to have planned it. For all of these events, someone had to be the person that “knew where we were goin”. Think of the events in your life that should have taken lots of planning. Whether you planned it, or someone else; didn’t these events seem to be more fun when there wasn’t a lot of concern over “where are we goin?”

Each one of us has been charged by our peers to be leaders in our Troops or Crews. They look to us for leadership, they saw it in our characters, and they want us to lead them. So as you continue in your lives, remember that we are all going somewhere, but you can be the one to say “Follow me, I know where to go or how to get there!”

Spring Fellowship

Come one; come all to Spring Fellowship on March 25-27. We will kick off the event by helping the Cub Scouts Friday night with their Weblos Woods event. We will need chapters to provide skits for this event. *If they are good*, extra points will be awarded to help you in Saturday’s Quest! Then on Saturday, we will start our morning off with a rousing set of training cells brought to you by our illustrious training committee.

That afternoon promises loads of fun with the legendary Quest for the Golden Arrow. Since our lodge theme is based on Zombies, we will have four fantastic events based around Zombies. They include Zombie Ultimate Frisbee, Brain Eating, Humans vs. Zombies, and a Bandage Relay. For these events all chapters need to bring an assortment of Nerf Guns and a well supplied First Aid Kit suited for camping, backpacking, and treating zombie wounds. So pack your bags and join us for a fun-filled weekend at Camp Bud Schiele!

Silver Beaver Award

The Silver Beaver Award is given for noteworthy service of exceptional character to boyhood by registered Scouters within the territory under the jurisdiction of the Council. It is the highest honor a Council can bestow upon a volunteer.

It is made by the National Council, BSA acting through its Executive Board upon nomination by the Local Council. We had 3 of our lodge brothers receive the Silver Beaver Award at the Council Banquet in February.

Summit Corps: The New River Experience

Summit Corps will be taking place at the new Jamboree site in West Virginia in the summer of 2011. Our contingent will be attending the 2nd week, which is July 10-16. The total estimated fee to contingent members is \$350, which includes: seven days of program, 18 meals, safety equipment, insurance coverage, recognition items, a full day of recreation, transportation to and from the event, and Esau spirit items. We are currently looking for ways to reduce this cost to members through means such as selling patches. Send your patch designs to Robbie Gamble at OAServe@aol.com.

In order to reserve your spot, you must include a pre-payment of \$100. If you are selected to go, your \$100 will not be refundable, but can be transferred to another Scout. If you are not selected to go, your fee will be refunded to you. Selection will be on a first come, first serve basis. Our Lodge is only guaranteed 8 spots, but any spots not used by other Lodges by December 1st will be up for grabs. In order to attend this event you must be at least 14 years old by July 1, 2011. Everyone attending will be expected and required to participate in strenuous work like that of other high adventure programs. Because of this, you must meet the Philmont recommended height and weight requirements listed in your medical form. All participants must have a completed BSA annual medical form that was completed no more than 12 months before the event.

The rest of your fees will be due by April 1, 2011. Anyone who has not paid their fees by this date will be charged a \$50 late fee. The final cut off for all late fees will be May 1, 2011. Send your forms to Jimmy Arthurs at 181 Oak Meadow Rd, Mooresville, NC 28115. Make all checks payable to Esau Huppeday Lodge. If you have questions, email Robbie Gamble at OAServe@aol.com.
