Chiefly Speaking

For those of you that didn't get to go to NOAC, you missed an amazing event. Most mornings at NOAC were filled with various types of training cells, everything from the signature to cell (United We Leave a Legacy), to cells on improving brotherhood conversion, to cells on how to improve your ceremonies team. All the cells provided valuable information on how to improve your lodge. Afternoons at NOAC were filled with many different activities, everything from individual dance and ceremonies competition to volleyball and lodge ball. Team dance and sing also competed. I would like to congratulate all of our individual dancers for their command performance in their various styles, our ceremonies team for their honor team ranking in the brotherhood ceremony. Congratulations are also extended to our dance team for the spectacular performance that brought home a second place finish as well as the authenticity award. I would like to extend a round of applause to our drum team for their second place finish behind Wahissa Lodge.

I want to thank everyone that took time out of their schedule to help out with the Founder's Day Booth and take this opportunity to again thank Kevin Gantt and Jimmy Arthurs for all their work in planning and organizing the trip. Without all of the work that they put in we wouldn't have been able to have such a smooth trip to NOAC. I hope that everyone that went to NOAC enjoyed the trip as much as I did and is energized and ready to put what they learned to work to help improve out Lodge, If you didn't make it to this NOAC I strongly encourage you to be making plans to attend the next one.

Activities and Recreation at NOAC

While most of our delegates were participating in the many different AIA events held at NOAC, there were some that found the free time to build a rag - tag team to participate in the athletic events. Our delegates participated in both lodgeball and volleyball while at NOAC, moving forward past other lodges in both events. We went all the to the third round in volleyball, defeating 2 very good teams and unfortunately slipping up in the third round. However lodgeball was almost a completely different story. We were able to progress to the fourth round without even picking up a ball. After three byes the team was anxious to finally play, Unfortunately the anxiety couldn't win us the game, we walked out of the gym with a loss and a Lodge Chief with a sprained ankle. Even though we did not win it all the teams had a lot of fun and exemplified teamwork and sportsmanship better than many.

Matt Cook
Eswau NOAC Delegate

American Indian Events at NOAC

Dear Brothers,
Eswau was well represented in all areas of the American Indian Affairs. The dance team came in second place and also received the National Authenticity Award. This is a very prestigious honor. It has only been given out four other times and this is Eswau's first. The drum team came in second place and were complimented highly on the improvements since the Dixie Fellowship. Miles Harbin, Nate Flowers, David Marder, and Ivey Griffin won the National Honor Team award for their Brotherhood Ceremony. We had a total of 9 individual dancers make the finals in their respected categories; eight in Old Time Sioux and one in Grass. From all the youth who participate in AIA, I would like to thank everyone who helped prepare our guys for NOAC. If any youth would like to participate in group dance, team sing, ceremonies, or individual dance feel free to email me at laytongantt@gmail.com with any questions you have.
