Never before has an Eswau Huppday theme came to life like it at the 2010 Dixie Fellowship. It rained, it poured, it flooded and ESWAUTER Ruled! This years sectional conclave was another fine SR-5 event.

The Host Lodge Atta Kulla Kulla had large shoes to fill after Eswau hosting last year's Dixie Fellowship, and they did a good job despite adverse weather conditions and hilly camp terrain. Native American events, patch trading, training, quest events, fellowship and craziness combined to create a memorable weekend. The Friday night show was saved by the antics of Eswau Brothers, their water weapons, and impromptu actions. Saturday was a wash-out but all of the events still continued and Eswau made a

great showing as always in all of the competitions.

Here is a list of the Eswau Teams and Individual Eswau Brothers who received awards on Sunday morning.

Brothers,

Each and everyone of you have provided me with an amazing term as lodge chief so far. Your willingness to work cheerfully and serve in any capacity you are needed has been critical this year to all of the work we have accomplished at Camp Bud Schiele. I look forward to one more successful Ordeal and then having a blast at Fall Fellowship.

Congratulations to the Brothers who decided to take advantage of the OA High Adventure Deals, I hope they have a wonderful time this summer and bring back stories to share with the lodge in hopes of persuading more people to attend. I also wish the best to the brothers working at Camp Bud Schiele this summer and I hope that they have a wonderful centennial summer.

To the brothers attending Camp Bud Schiele: Take a look around and take pride in all the changes that Es-wau Huppeday has made happen, be proud of our camp! Lastly to the brothers attending the National Jamboree have a wonderful time, the Jamboree is an awesome experience to begin with, and I envy you for getting to attend the grand 100 years celebration. I cannot wait to see everyone at scouting events throughout the summer and I wish everyone the best.

Eswau Patch History 101

By: Andrew Slade

Eswau Huppeday will commemorate the 100th Anniversary of Scouting with special edition lodge flap. At June ordeal a motion was passed to create a special flap as a celebration of scouting's 100th birthday. The proceeds from these flaps will be used for improvements to Camp Bud Schiele as part of the cur-

What makes this flap special is that there will only be 500 made and are sold only be pre-order. Please visit www.eswau.org for details and order form,

which can also be found on page 11. I encourage all of you to be a part of Eswau's Patch History and purchase one of these very special flap.

From The Adviser

Brothers,

In the early spring several of the lodge leaders had the privilege of attending a property committee meeting of the Piedmont Council. During this meeting, many ideas were discussed on how the Order of the Arrow could direct our work efforts to benefit Camp Bud Schiele. We left the meeting with the goal of completing a wall and patio area behind the leader lodge. An area we thought we could beautify and add perhaps program space to camp. As we shared some of the other project ideas with others in the lodge, many brothers stepped up and said "we

can do this". I was quickly reminded of those Scouts and Scouters who think more of others than of themselves. It made me very proud to be part of such an organization of Scouts that share this common belief. While not all of us laid block, wired shelters, built walls, or shoveled gravel, each of you played a part in finishing projects that will benefit Camp in years to come.

So from the meeting, we left with one project to complete. In a short few hours, other projects were identified to complete before camp started. Kyle and I will be honored in a few weeks to be able to

report to the Council Executive Board, that "Eswau Huppeday Lodge completed not only the patio project on time, but we also finished new shelving in the dinning hall, a new closet in the dinning hall, painted areas in the dinning hall, completed wiring in the arena, climbing Eagle area, and lighting the archery range."

Brothers, thank you all for your dedication to our Camp!!

ESWAU HUPPEDAY LODGE #560

ORDER OF THE ARROW, BOY SCOUTS OF AMERICA

Code of Conduct Eswau Huppeday Lodge

The success or failure of Eswau Huppeday Lodge depends on the conduct of each individual brother that attends. As a Scout and an Arrowman, I understand and will observe all rules and regulations of the Piedmont Council, the Order of the Arrow, the Boy Scouts of America, and will observe the reasonable demands made of me. As a member of the Order of the Arrow, I will:

1. Observe the Scout Law, Scout Oath, and the Obligation of the Order of the Arrow.
2. Wear my officially designated uniform as required throughout the event, specifically during travel to and from the event, during all ceremonies or shows, during Saturday evening supper, and during the chapel service/business meeting.
3. Attend the planned and general training sessions.
4. Confine the trading and swapping of Scout related items to free periods and in designated areas only.
5. Be personally responsible for the breakage, damage, or loss of property.
6. Observe quiet hours and lights-out hours.
7. Keep my quarters clean and dispose of trash in the proper places.
8. Register and pay for all events that I attend.
9. Allow no unregistered person to occupy my quarters.
10. Shirts and shoes will be worn at all times in accordance with BSA policy.
11. No alcohol or illegal drugs will be allowed on camp property.
12. Observe BSA tobacco use policy.
13. Not to leave camp without permission of the event adult leadership.
14. Remember that I am a guest of Eswau Huppeday Lodge, of Piedmont Council, and Camp Bud Schiele.
15. Park only in designated areas unless approved. Designated areas include the activity field and the parking lot. See the adult leadership for other approved parking or driving while at camp.
16. Abide by the BSA Guide to Safe Scouting.

The Boy Scouts of America prohibits the use of alcoholic beverages and controlled substances at encampments or activities on property owned and/or operated by the Boy Scouts of America, or at any activity involving participation of youth members. Adult leaders should support the attitude that young adults are better off without tobacco and may not allow the use of tobacco products at any BSA activity involving youth participants.

All Scouting functions, meetings, and activities should be conducted on a smoke-free basis, with smoking areas located away from all participants.
